## A CELESTIAL GALA

Dear Friend of CommuniCare,

Get ready to journey Across the Universe as the stars align for an unforgettable night celebrating CommuniCare's 53 years of compassionate service and community impact.

On **Thursday, October 9th, 2025, from 6:00–11:00 PM** at the Mays Family Center at the Witte Museum, the CommuniCare Health Foundation will proudly host our most radiant evening of the year: **Across the Universe: A Celestial Gala!**

This year's theme invites guests to step into a shimmering, constellation-filled night that celebrates our past and charts a visionary course for the future. As a vital partner in our galaxy of supporters, we warmly invite you to join us as a sponsor of this extraordinary event where purpose meets wonder beneath the stars.

Your support helps CommuniCare, a 501(c)(3) nonprofit community health center, continue to provide essential healthcare services to thousands of uninsured and underinsured families across Bexar, Hays, and Kendall counties. From pediatric and adult care to behavioral health, women's services, dental, and specialty care, we ensure access to over 500,000 encounters annually, reaching more than 127,000 children and adults.

Enclosed you'll find our Sponsorship Opportunities, each inspired by the brilliance of the cosmos. Every level offers stellar recognition and benefits designed to honor your meaningful role in making this mission possible.

All donations are tax-deductible, and proceeds will directly support the expansion of our life-changing programs, fueling brighter outcomes and healthier futures in the communities we serve. To become a sponsor or make an in-kind contribution, please contact Marisol Cortez at [mcortez@communicaresa.org](mailto:mcortez@communicaresa.org) or (210) 233-7080. You may also visit [www.communicaresa.org](http://www.communicaresa.org) to learn more about our mission and impact.

If sponsorship isn't possible at this time, we invite you to join us under the stars by purchasing individual tickets and be part of a night where generosity is written in the stars.

With gratitude for your ongoing support, we look forward to celebrating with you on October 9th beneath the constellations of our shared purpose.

The CommuniCare Health Foundation advances health care access to working families in the communities CommuniCare serves. Nearly 65% of the health center's budget comes from private sources such as individuals, corporations, foundations, and other organizations. Community support in any amount is critical to our success, and is essential in the continuum of quality care to our community members who need it most. We appreciate all of our donors, and your gift is highly valued.
