

Dear Friend of CommuniCare:

Get ready to step into the Golden Era of Las Vegas as the neon lights switch on to celebrate CommuniCare's 54 years of compassionate service and community impact.

On **Thursday, October 8th, 2026, from 6:00-11:00 PM** at the Mays Family Center at the Witte Museum, the CommuniCare Health Foundation will proudly host our most glamorous night of the year:

The Golden Era Gala: A Night in Old Vegas!

This year's theme invites guests to step into a dazzling, star-studded night that celebrates our past and goes all in on the future of health in our communities. As a vital partner in our full house of supporters, we warmly invite you to join us as a sponsor of this fabulous event where purpose meets amazement under the glittering lights.

Your Support helps CommuniCare, a 501(c)(3) nonprofit community health center, continue to provide essential healthcare services to thousands of uninsured and underinsured families across Bexar, Hays, and Kendall, and, most recently, Comal county. From pediatric and adult care to behavioral health, women's services, dental, and specialty care, we ensure access to over 590,000 encounters annually, reaching more than 72,385 children and 69,140 adults.

Enclosed you will find a summary of Sponsorship Benefits, each inspired by the spectacle of 1950's-1960's Vegas. Every level offers sparkling recognition and benefits to honor your meaningful role in making this vision possible.

All donations are tax deductible, and proceeds will directly support the expansion of our life-changing programs, fueling brighter outcomes and healthier futures in the communities we serve. To become a sponsor or make an in-kind contribution, please contact Marisol Cortez at mcortez@communicaresa.org or (210) 233-7080. You may also visit www.communicaresa.org to learn about our mission and impact.

If sponsorship isn't possible at this time, we invite you to join us for a night of luck and lights in Old Vegas by purchasing individual tickets and be part of a night where generosity is the jackpot.

With gratitude for your ongoing support, we look forward to celebrating with you on October 8th under the sparkling neon of our shared purpose.

The CommuniCare Health Foundation advances health care access to working families in the communities CommuniCare serves. All of our budget comes from private sources such as individuals, corporations, foundations, and other organizations. Community support in any amount is critical to our success, and is essential in the continuum of quality care to our community members who need it most. We appreciate all of our donors, and your gift is highly valued.
